Mr. Francis Deák
Editor, THE HUNGARIAN QUARTERLY
Columbia University
New York City

Dear Mr. Deák:

I have Professor Magyary's book, THE INDUSTRIAL STATE, and think very highly of it. I regret to say that I am so swamped with other work that I cannot review the volume for The Hungarian Quarterly. I do appreciate your thinking of me, and trust the book will receive the review it deserves.

Sincerely yours,

Luther Gulick
